SUPPORT THE LOGO FOR HUMAN RIGHTS

Human Rights have a symbol!

An international jury, including nobel peace price laureates Aung San Suu Kyi, Muhammad Yunus, Michael Gorbatchev, Shirin Ebadi and Jimmy Carter together with the internet community selected the winning logo from more than 15,300 submissions.

The human rights logo is available to everyone at no cost as an open source product at www.humanrightslogo.net.

Use the logo to promote and protect human rights, raise its public profile and recognition and make it a truly universal symbol!
